NEW YORK TELEPHONE COMPANY

HOW TO DETERMINE THE CHARGE FOR CALLS BETWEEN POINTS WITHIN NEW YORK CITY

If you are calling from the Bronx, Manhattan, Queens or Richmond (Staten Island), consult the Directory for that Borough.

1st. Find out in what zones the telephone from which you are calling and the telephone which you desire to call are located by consulting Table C on page 10.
2nd. Determine the charge which will apply by consulting the tables below. Table A for message rate subscribers and Table B for flat rate subscribers and coin telephone users.

NOTE: You should dial direct to the following types of calls: Calls from flat rate telephones in Aquegue 7, Coney Island 6, Esplanade 2, Fleetwell 9, Glenwood 2, Mayflower 9 and Mansfield 6 to points within the local service area; calls from all other flat rate telephones to any point in New York City; calls from message rate telephones on which the charge is one message unit; and calls from coin telephones on which the rate is 5c.

On all other calls made from dial telephones to central offices in New York City dial the operator and give her the number.

TABLE A—Message Rate Telephones

CALLS FROM ZONE	TO ZONE	ARE CHARGED AS
6	1, 2, 3, 4, 6, 7, 8, 9, 10, 11, 12, 13	1 local message

* Day rate at the calling point governs the duration of evening and night rates. Times indicated refer to rates which apply on calls to Cuba, Mexico, South America, or transoceanic points. Between May 25 and September 15, inclusive, they do not apply especially to certain summer resorts in New York State. (See table on page 7)

† On messenger calls, the cost of the messenger is added to the charge for the call.

In cases not covered by the above table, Evening and Night Rates can be obtained from the Operator and Person-to-Person Rates, etc., can be obtained from Long Distance.

Station-to-Station Rates of 25c or less are for a five minute initial period. All other Station-to-Station Rates and all Person-to-Person Rates are for a three minute initial period.

WINTER 1932-33

"I Never Knew *how* MUCH *a Telephone meant*"

"We've had our 'phone put back again. Did we miss it? You'll never know until you've tried to do without one.

"We thought we'd save money. But what an idea! Had to run down the street to a public telephone all the time—or impose on neighbors.

"Nobody could call me up and ask me out—I missed a lot of good times. 'Twas terrible never to hear from friends and Mother got so lonesome too.

"And let me tell you it was awfully spooky at night to know you couldn't get help in a hurry if you needed it.

"Our family will never do without a telephone again."

. . . nobody could ask me out"

If you are doing without a telephone why not drop in at one of our Business Offices and let us tell you more about what a telephone will mean in your home. Or any employee will be glad to take your order.

NEW YORK TELEPHONE COMPANY

ATTEND THE

CENTURY OF PROGRESS EXPOSITION

AT CHICAGO

JUNE 1, to OCTOBER 31, 1933

•

VISIT THE

BELL SYSTEM EXHIBIT

IN THE

COMMUNICATIONS BUILDING

It will take you behind the scenes of a telephone central office and show you, by the use of actual working equipment, the various steps in the handling of local and long distance calls.

It will show you how the dial system works.

It will demonstrate the method by which messages typed in one city are instantly reproduced in another.

It will include many other features which show and explain the equipment necessary and the methods employed in providing modern, efficient telephone service.
